Sensor Faucets and Flush Valves

Stocking Distributor Program Pricing Sheet

(Effective Feb 3, 2025)

Statement of Terms

MINIMUM ORDER REQUIREMENTS

Minimum order of 24 items required to qualify as a Stocking Distributor. The items can be divided in any way as long as the items are ordered in multiples of the case quantities. Case quantities are as follows:

- 1 case of faucets = 6 faucets
- 1 case of flush valves = 4 flush valves

STOCK REPLENISHMENT

Stock replenishment is allowed at the same pricing as long as a case quantity is ordered (outlined in the Minimum Order Requirements) and that item was part of the initial order.

REBATE PROGRAM

Becoming a stocking wholesaler automatically qualifies you for the annual rebate program. Paid orders will be tallied at the end of the calendar year and rebates will be given in the form of credits. The targets and rebate amounts are as follows:

Paid Stocking Order Total	Rebate
\$100,000 - \$199,999	2%
\$200,000 - \$299,999	3%
\$300,000+	4%

Note: Parts also count toward your rebate total

WARRANTY STATEMENT

HYDROTEK FAUCETS & FLUSH VALVES

5 Year Limited Warranty

Hydrotek warrants its products to be free of defects in material and workmanship to the original purchaser, for a period of three (3) years from the date of purchase, are no warranties which extend beyond the description on the face hereof. In no event is Hydrotek responsible for any consequential damages of any kind whatsoever.

STOCKING DISTRIBUTOR RETURN POLICY

Hydrotek products returned for reasons other than defects or shipping errors are subject to a 20% restocking fee within the first year of purchase for item(s) belong to the original stocking order. Product return of items over one year old shall be subject to a 50% restocking fee. Products ordered more than two years ago will not be accepted. A Returned Goods Authorization (RGA) number must be issued by Hydrotek for all returned products. To ensure that proper credit is issued, the RGA number must be written on the shipping label as well as related return documents. All returned products should be received in their original boxes and shipping carton or be otherwise suitably packed to prevent damage. All returns must be freight prepaid. Returns received without prior authorization may be refused and returned to the sender at the sender's expense. Credit allowance will be limited to the cost of the product only (excluding freight charges) and will be in the form of a merchandise credit only (not cash).

In order for Hydrotek to issue a proper credit for returns, the customer must provide the following information:

1. Invoice Number
2. Model Number
3. Quantity
4. Reason for return (be specific and descriptive)

By signing below, you are agreeing to all terms stated above as a member of Hydrotek's Stocking Distributor Program.
